

## **Declaration concerning the quality management system of the Slovak Institute of Metrology, Slovak Republic**

The Director General of the Slovak Institute of Metrology (hereinafter referred to as „SMU“), in connection with the implementation of the CIPM Mutual Recognition Arrangement (CIPM MRA) through which National Metrology Institutes demonstrate the international equivalence of their measurement standards and the calibration and measurement certificates they issue (see <https://www.bipm.org/>), hereby declares that, since 2002, SMU has implemented a quality management system, described in the SMU quality system documentation, that complies with all relevant requirements from international standards ISO 9001, ISO/IEC 17025, and ISO 17034, as well as the CIPM MRA, including the calibration and measurement capabilities (CMC) listed in the KCDB database (<http://kcdb.bipm.org/>).

At the same time, the Director General of SMU undertakes that all necessary measures will be continuously taken by SMU to ensure the permanent compliance of the CMCs submitted under the CIPM MRA with the requirements of the aforementioned standards.

This declaration has been issued to ensure compliance with the CIPM Mutual Recognition Arrangement within SMU.
